

Welcome

Dear Friends,

Your Beth El Men's Club has earned the FJMC Quality Club Award 3 years in a row. We are offering record programming for the betterment of our Beth El Community.

In this New Year, it is our goal to welcome many new members and to have our current members become involved in our programming. Men's Club has something to offer to all men of our Temple. Here are some of the ways you can become involved:

- Attend our monthly breakfast programs. Great speakers with a deluxe breakfast: Bagels & lox, eggs, and all the trimmings. Refer to Temple Topics and Web Site for time & dates.
- Attend our monthly meetings where we plan our programs and events.
- Volunteer to help us cook for Temple events and usher at High Holiday Services.
- Join us to meet new people and increase your connection with the Beth El community. Men's Club is the perfect place to start.
- Distinguished Service Award Banquet honoring outstanding service to our Temple.
- Attend our various social activities.

Don't have time in your busy schedule to join in all this fun? Please join as a member of The Men's Club to provide support for our activities to fulfill the varied needs of Beth El and help create an ever greater sense of community at our shul. It's a nice way to say "Thank You".
